## Checklist for the installation of a VISION AQUA® water filter system onto your rinking water connection, in the kitchen in the sink base cabinet.

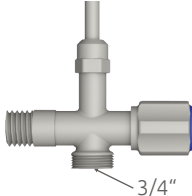

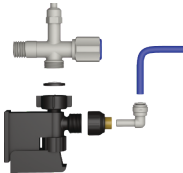

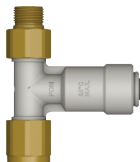

Dimensions/space requirement in the sink base cabinet (please note the distance between the odour trap and the wall)	<b>Verdanium MAX</b> H= 635 mm W= 205 mm D= 460 mm	<b>Verdanium Home</b> H= 397 mm W= 248 mm D= 374 mm	<b>VA-Mini</b> H= 275 mm W= 224 mm D= 247 mm
Water quantity (liters/minute)	Minimum water flow <b>Verdanium MAX</b> – 4 l/min.	Minimum water flow <b>Verdanium Home</b> – 4 l/min.	Minimum water flow <b>VA-Mini</b> – 2 l/min.
Power connection (with grounding) available?	Yes <input type="checkbox"/> <b>Mandatory</b>		

### 1. Withdrawal tap

Required height for the one-way tap (height with base 212 mm)

1.2. Drilled hole for one-way tap possible?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
1.3. Mounting of the one-way tap possible? (Diameter for the screw connection from below is ø 42 mm)	Yes <input type="checkbox"/>	No <input type="checkbox"/>
3-way tap optionally possible?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Diameter for the screw connection of an optional 3-way tap is ø 35 mm		

### 2. Water connection

Water connection within max. 3 m distance of the water filter system?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Washing machine/dishwasher available?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
In the absence of washing machine/dishwasher: Is a 3/4" cold water connection available?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
	 If a 3/4" connection is available, please use the standard installation kit for the water filter system.	 If no 3/4" connection is available, a separate connection adapter must be fitted to the water connection in addition to the standard installation set.

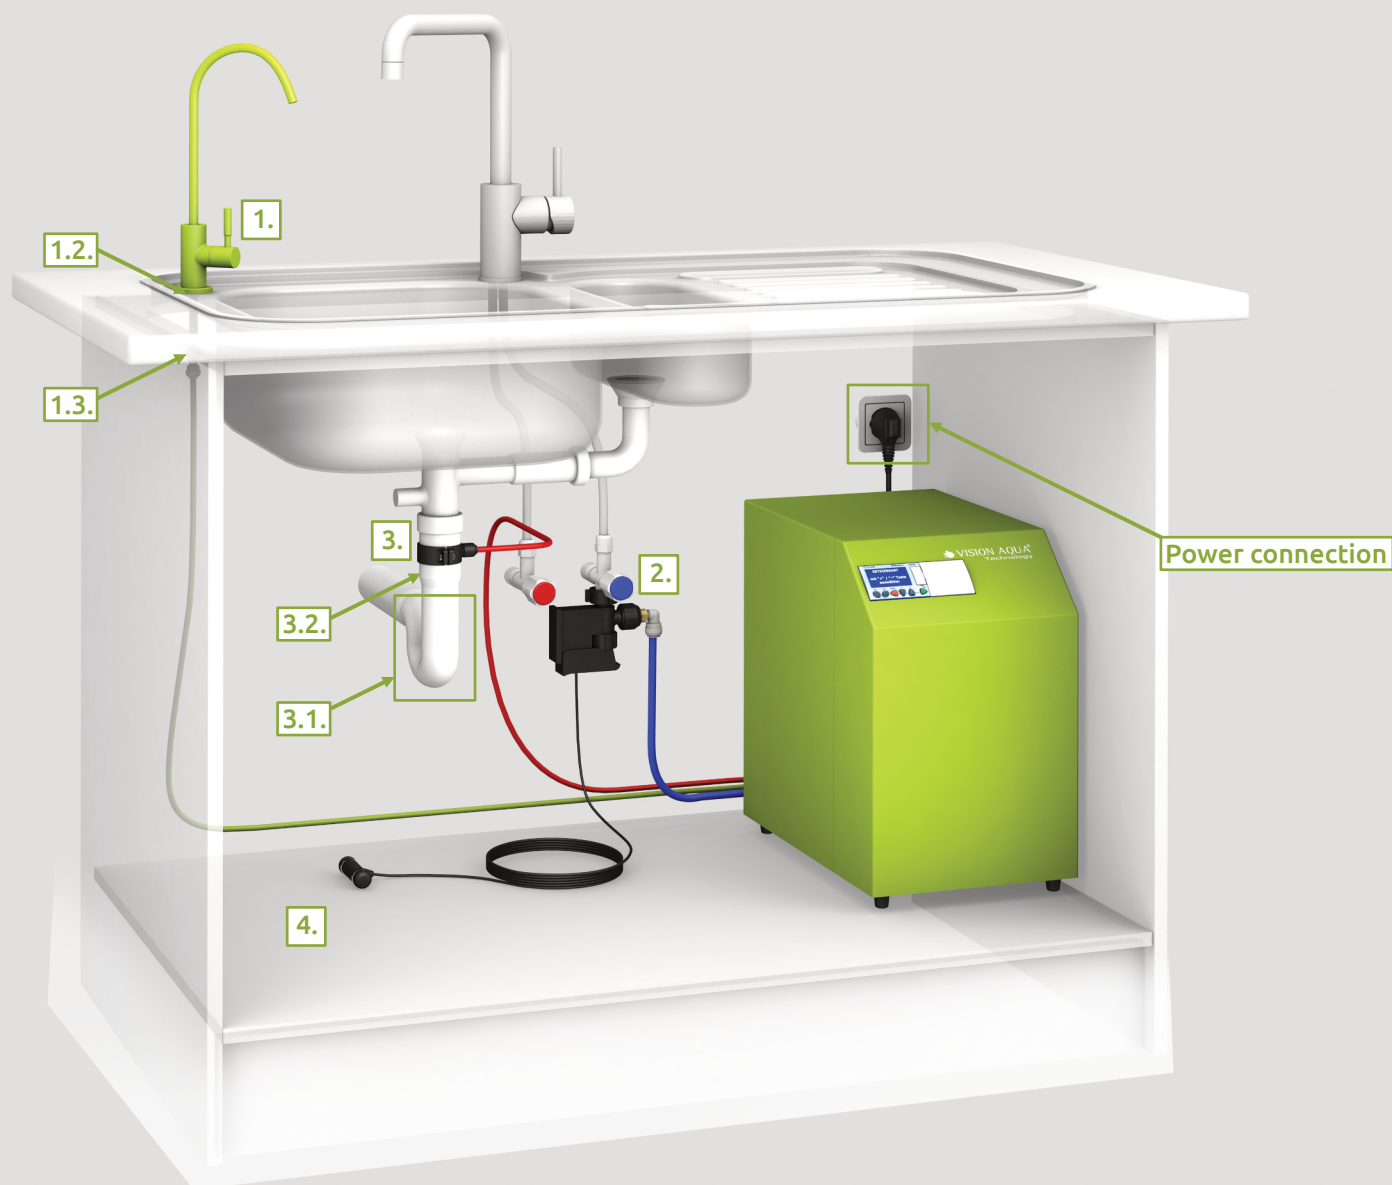

### 3. Waster water

3.1. Is there a drain available? (no odour trap made of lex pipe)	Yes <input type="checkbox"/>	No <input type="checkbox"/>
<b>With an odour trap made of a flex pipe, a drain modification is necessary!</b>		
3.2. Max. diameter in front of the odour trap (tube) ø 40 mm?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Distance to the water filter system: max. 3 m?	Yes <input type="checkbox"/>	No <input type="checkbox"/>

If there is no connection option for waste water, it can also be discharged into the sink via a separate withdrawal tap adapter.

### 4. Connection of kitchen appliances

Do you want to supply kitchen appliances with ultra-pure water?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
If you would like to supply your kitchen appliances with ultra-pure water, dishwashers and/or washing machines can be connected via an additional adapter and storage tank as a buffer.		
Connection of washing machine/dishwasher is possible with water filter systems Verdanium MAX and Verdanium Home.		
Dimensions to be observed/space requirements for storage tanks	3 l – H= 250 mm without stop cock Ø= 165 mm	10 l – H= 370 mm without stop cock Ø= 285 mm
